MISS BERTHA JENSEN. 211 West Fifth North St.

Miss Jensen says: "I have nad trouble with my ears and nose nearly all my life. My ears ached and pained and were constantly running. I had such whistling noises in my ears that people could actually hear the 'whistle' when I blew my nose. My head and nose stopped up—and I never found any relief until Drs. Shores treated me. In two weeks the noises stopped, the pain got better, the head and nose cleared up and I feel so much better in every way that it is a pleasure to add my testimony to Drs. Shores' skill.

Seventeen years with the largest practice in the west-17 years with the best Seventeen years with the largest practice in the west—17 years with the best treatment known—17 years of progress and improvement in the treatment and cure of Catarrh, Chronic Nervous and Private Diseases—17 years of Square dealing—17 years doing business right here in Salt Lake under their own names—with nothing to hide—nothing to be ashamed of—17 years of publishing testimonials of Home people made well—17 years fighting frauds and fakers—during which time scores of Quacks have been forced to leave for greener pastures on account of Drs, Shores' fearless exposure of their Quackery—Certainly these 17 years have been well spent and sick people generally recognize Drs. Shores as the absolute Masters of Chronis Disease.

Low Rates and a Square Deal to All

Drs. Shores' rates for Catarrhal Chronic diseases are today just what they were 17 years ago—\$5 a month, medicines free, for all Catarrhal Chronic affiments—It is big enough for the Doctor—small enough for the slck—it is the popular rate that has made Drs. Shores famous—and Drs. Shores' do not propose to raise it now—simply because they could GET MORE MONEY—they prefer to do the greatest good to the greatest number—and their practice among wage earners to whom every dollar counts—is worth more to them than to treat a select few at enormous prices.

MEDICAL SKILL

Doesn't mean just sufficient technical knowledge to enable a man to pass a Medical Examination and hang out his shingle. It means ACTUAL PRACTICE AMONG THE SICK-for years and years—daily watching and learning from each case the secrets of Nature and the cure for disease.
